PAYMENT SCHEDULE

Licensee may include its Membership Fees as part of Licensee's Donation total.

Membership Dues may be prorated by quarter (1/4) of the annual (January - December) year. Upon certification, the Licensee must pay at least that quarter's dues, but may also pay for the entire year.

SUBSTITUTING DUES DOLLARS

A business may substitute a portion of their annual dues in the form of product or service donation. The acceptance of any product or service in substitution for dues dollars is only at the discretion of the 2% for Conservation staff.

The substitution values break down is based on the Gross Revenue of the business and are as follows:

- \$0-\$1,000,000:** 50% of dues
- \$1,000,001 - \$25,000,000:** 25% of dues
- \$25,000,001 and Up:** 10% of dues

2% for Conservation operates on the dues dollars generated by business members.

While the donation of products and services are appreciated, 2% for Conservation strongly prefers businesses pay dues dollars to support our operational needs and growth.
